

**META-GEN™**

**A WORLD OF HEALTH**

# ON THE GO

**\*ON THE GO NEWSFLASH\***

**Ingredients:**

**Lipase, Amylase, Protease, Esterase, Peptidase, Nuclease, Elastase, Collagenase, Trypsin and Chymotrypsin.**

**These statements have not been evaluated by the food and Drug administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

With our busy lifestyles, we all seek convenience in packaged foods and quick meals. Unfortunately, all **packaged, frozen, processed, and cooked foods are devoid of natural enzymes.** During digestion, your body compensates by re-directing your energy and physical resources to produce these missing enzymes. This places tremendous stress on your body. **As you age, you are less capable of producing enzymes.** This results in incomplete digestion. **ON THE GO** is the after meal supplement that will assist you in preserving the nutrients you do need to maintain good health.
